

Welcome to EuroTier 2018 – the world’s leading trade fair for animal production

On 13 November 2018, EuroTier will once again open its gates to an international audience. Come to the world’s leading trade fair with more than 150.000 visitors on a 250,000 m² indoor hall space and get a fresh update on the state of art and the latest innovations in cattle, pig and poultry farming. The show will also be shining the spotlight on aquaculture, sheep and goat rearing as well as livery yards.

Let us impress you with an extensive range of products

The show programme:

- Breeding animals, breeding programmes, trade, reproduction technology
- Feed and other farm inputs
- Feed storage, feed production
- Animal housing and shed construction
- Livestock management and feeding technology
- Climate control and environmental technology
- Milking and cooling technology
- Dung, solid manure and slurry technology
- Transport vehicles & services
- Processing and marketing
- Equipment and accessories
- Management and consultancy
- Bioenergy and decentralized energy supply

Innovations Live!

EuroTier is the world’s leading platform and an ideal opportunity for presenting your innovations. Four gold medals and 21 silver medals were awarded last time to outstanding products from a total of 250 products that were submitted to the DLG innovations programme for assessment by our independent experts committee.

Meet exhibitors from more than 50 different countries!

Attend EnergyDecentral in parallel with EuroTier

Energy and animal husbandry are closely related. In 2016, more than 31,200 trade visitors demonstrated a specific interest in this market.

More than 360 specialist exhibitors attended EnergyDecentral and another 200 animal husbandry companies presented energy-related products and services.
