

# Key areas

Halls 2-9, 11-13, 15-17

- 2 **All species:** Feed storage, milling and mixing installations, feed pelleting  
**EnergyDecentral:** Biomass storage, processing and pelleting
- 3 **All species:** Compound feed, feed components and additives
- 4 **All species:** Compound feed, feed components and additives
- 5 **All species:** Compound feed, feed components and additives, veterinary products and equipment, disinfectants, disinfection equipment  
**Aquaculture:** Machinery and equipment for management and feeding
- 6 **All species/ EnergyDecentral:** Loaders/lifters, high pressure washers, bunker silos, solid manure and slurry technology/ fermented product applications
- 7 **All species/ EnergyDecentral:** Agricultural software, consultancy, Campus & Career including Science & Research, DLG Stand, "International Visitors' Lounge", DLG-Special "Emission Control", DLG-Special "Direct Marketing", livestock trailers
- 9 **EnergyDecentral:** Decentralized energy supply, biogas/biomethane, substrate conditioning, fermentation, CHP units, gas feed-in, biofuels, fuel technology, system construction, solar power, storage systems, Special "Power Generation in Agriculture – Generation and Use", "Forum EnergyDecentral"
- 11 **Cattle:** Breeding and reproduction technology, machinery and equipment for management and feeding, animal identification, hoof care equipment, pasture management technology, "Dairy/Cattle Forum Special", Special "All-company husbandry concepts for dairy/cattle"
- 12 **Cattle:** Machinery and equipment for management and feeding, automatic feeding systems, bale opening devices, silo unloading equipment
- 13 **Cattle:** Machinery and equipment for milking and refrigeration, mixer-feeder wagons, silo unloading equipment
- 15 **Pig:** Breeding and reproduction technology, machinery and equipment for management and feeding, piggery and shed construction, "Pig Forum", Special "All-company husbandry concepts for pigs"  
**Cattle:** Barn and shed construction
- 16 **Pig:** Machinery and equipment for management and feeding, controlled environment and environment technology  
**Poultry:** Machinery and equipment for management and feeding, controlled environment and environment technology
- 17 **Poultry:** Breeding/hatching technology, machinery and equipment for management and feeding, poultry housing and shed construction, poultry slaughtering and processing, egg grading and processing, "Poultry Forum", Special "All-company husbandry concepts for poultry"
