We are looking for marketing partner and after-sale support in European countries for electric fencing and trellising hardware, FenceMate® or private customized business (OEM, ODM). If you are interested in cooperation, contact us at yudong@fencemate.com, we will get back to you.

FenceMate, Inc. is a professional supplier since 2002, focusing on agricultural fencing, especially electric fencing for animal containment, farming, and orchard/vineyard trellising, annual sales volume around US\$ 10 million, product range includes fence energizers, posts, wires & joiners, insulators, gates, management device, accessories and hand tools.

We have been serving more than 30 leading importers/wholesalers/chain supermarkets in US, Europe (Germany, France, UK, Holland, etc.), Oceania (Australia, New Zealand), South America, South Africa and many other countries.

Position: After-Sale Support

1. Background of electronic engineering or equivalent.
2. Working space (20 m² +), and basic testing devices.
3. Language: English

Target:

1. Replace parts / repair, if there is quality issue with product returned from Amazon customers, free spare parts supplied by FenceMate.
2. Repaired, or no quality issue product, repack them for shipping back to Amazon warehouse (Germany) for the second sale.

Working Hours: Part time

Working Place: Germany preferred

Salary: Negotiated
