We are looking for marketing partner and after-sale support in European countries for electric fencing and trellising hardware, FenceMate® or private customized business (OEM, ODM). If you are interested in cooperation, contact us at yudong@fencemate.com, we will get back to you.

FenceMate, Inc. is a professional supplier since 2002, focusing on agricultural fencing, especially electric fencing for animal containment, farming, and orchard/vineyard trellising, annual sales volume around US\$ 10 million, product range includes fence energizers, posts, wires & joiners, insulators, gates, management device, accessories and hand tools.

We have been serving more than 30 leading importers/wholesalers/chain supermarkets in US, Europe (Germany, France, UK, Holland, etc.), Oceania (Australia, New Zealand), South America, South Africa and many other countries.

Position: Marketing Partner

1. Familiar with market of electric fencing and animal care in Europe
2. 5 years working experience in either of above industries
3. Language: English

Target:

1. Promote FenceMate products to potential importers/wholesalers, besides its current customer bases in Europe
2. Seeking for business opportunity in Europe for new category of product, such as animal care, etc.

Working Hours: Part time

Working Place: Unlimited, Germany preferred

Salary: Negotiated
